

Important Facts About Happy Hens

We believe it's important to know where your food comes from!
So, here is a little bit of information about us... 

Our
Chic
Pad

We live in divine bliss! We are cage-free, and spend our days relaxing in our spotless 100 ft. by 70 ft. pen. We are the envy of all our friends...

Our
Natural
Diet

We maintain our fabulous figures by munching on fresh fruits and vegetables daily. Some of our favorites are watermelon, tomatoes, and apples. We dine on oatmeal, cooked spaghetti, scratch grains, insects and plants.

Our
Fabulous
Lives

We are one year old laying hens that lay large, brown eggs. We are happy, chatty girls that are spoiled with love! We simply adore our pampered lives!
